## **CONTENTS**

	Acknowledgments	iv
	Welcome to iOS Core Frameworks	xii
CHAPTER 1	iOS FRAMEWORKS	2
	Before We Begin	4
	Prerequisites	4
	My Goals for This Book	
	iOS Frameworks Crash Course	8
	Understanding the Impact of a Multicore Processor	
	The Need for Concurrency	
	Operation Queues vs. Dispatch Queues	13
	Blocks	
	Using Blocks in iOS Frameworks	
	The iOS 5 Top Ten Technologies	
	Wrapping Up	20
	PART I: YOUR DATA AND THE CLOUD	
CHAPTER 2	PART I: YOUR DATA AND THE CLOUD  CORE DATA	22
CHAPTER 2		
CHAPTER 2	CORE DATA	24
CHAPTER 2	CORE DATA Getting Started with Core Data	24 24
CHAPTER 2	CORE DATA Getting Started with Core Data What Is Core Data?	24 24
CHAPTER 2	CORE DATA  Getting Started with Core Data  What Is Core Data?  Core Data Stack  Setting Up Core Data in Xcode  Creating a Managed Object Model	
CHAPTER 2	CORE DATA  Getting Started with Core Data  What Is Core Data?  Core Data Stack  Setting Up Core Data in Xcode  Creating a Managed Object Model  Creating a New Persistent Store Coordinator	
CHAPTER 2	CORE DATA  Getting Started with Core Data  What Is Core Data?  Core Data Stack  Setting Up Core Data in Xcode  Creating a Managed Object Model  Creating a New Persistent Store Coordinator  Adding New Persistent Stores	24 24 25 34 35 37 38
CHAPTER 2	CORE DATA  Getting Started with Core Data What Is Core Data? Core Data Stack  Setting Up Core Data in Xcode Creating a Managed Object Model Creating a New Persistent Store Coordinator Adding New Persistent Stores Creating a New Managed Object Context	
CHAPTER 2	CORE DATA  Getting Started with Core Data What Is Core Data? Core Data Stack Setting Up Core Data in Xcode Creating a Managed Object Model Creating a New Persistent Store Coordinator Adding New Persistent Stores Creating a New Managed Object Context Interacting with Core Data	24 24 25 34 35 37 38 39
CHAPTER 2	CORE DATA  Getting Started with Core Data What Is Core Data? Core Data Stack Setting Up Core Data in Xcode Creating a Managed Object Model Creating a New Persistent Store Coordinator Adding New Persistent Stores Creating a New Managed Object Context Interacting with Core Data Adding New Objects	24 24 25 34 35 37 38 39 41
CHAPTER 2	CORE DATA  Getting Started with Core Data What Is Core Data? Core Data Stack  Setting Up Core Data in Xcode Creating a Managed Object Model Creating a New Persistent Store Coordinator Adding New Persistent Stores Creating a New Managed Object Context Interacting with Core Data Adding New Objects Fetching and Modifying Objects	24 24 25 34 35 37 38 39 41 41
CHAPTER 2	CORE DATA  Getting Started with Core Data What Is Core Data? Core Data Stack  Setting Up Core Data in Xcode Creating a Managed Object Model Creating a New Persistent Store Coordinator Adding New Persistent Stores Creating a New Managed Object Context Interacting with Core Data Adding New Objects Fetching and Modifying Objects Deleting Objects	24 24 25 34 35 37 38 39 41 41 42
CHAPTER 2	CORE DATA  Getting Started with Core Data What Is Core Data? Core Data Stack  Setting Up Core Data in Xcode Creating a Managed Object Model Creating a New Persistent Store Coordinator Adding New Persistent Stores Creating a New Managed Object Context Interacting with Core Data Adding New Objects Fetching and Modifying Objects	24 24 25 34 35 37 38 39 41 41 42 44
